

Rational Choice and Criminal Behavior: Recent Research and Future Challenges (Current Issues in Criminal Justice)

Rational Choice and Criminal Behavior is a collection of essays by experts in the field of criminal justice examines various aspects of the rational choice framework, which deals with the degree to which criminal behavior represents a rational choice. The editors also include essays that cover specific policy approaches that stem from this framework, an argument that is crucial in the debate over punishment as a deterrent and the role of society in fostering criminal behavior.
