

IBSS: Sociology: 1995 Vol 45 (International Bibliography of Sociology (Ibss: Sociology))

This bibliography lists the most important works published in sociology in 1995. Renowned for its international coverage and rigorous selection procedures, the IBSS provides researchers and librarians with the most comprehensive and scholarly bibliographic service available in the social sciences. The IBSS is compiled by the British Library of Political and Economic Science at the London School of Economics, one of the worlds leading social science institutions. Published annually, the IBSS is available in four subject areas: anthropology, economics, political science and sociology.
