

OECD Statistics on International Trade in Services, Volume 2015 Issue 2: Detailed Tables by Partner Country: Edition 2015

This Oecd publication provides statistics on international trade in services by partner country for 31 Oecd countries plus the European Union, the Euro area, Latvia and the Russian Federation as well as links to definitions and methodological notes. The data concern trade between residents and non-residents of countries and are reported within the framework of the Manual on Statistics of International Trade in Services. This book includes summary tables of trade patterns listing the main trading partners for each country and by broad service category. Series are shown in Us dollars and cover the period 2010-2014.
