

Profile of the Agricultural Chemical, Pesticide and Fertilizer Industry (Industry Sector Notebook Ser)

You may know what your environmental compliance obligations are, but do you know how EPA sees them? Created by the EPA, this industry-specific handbook includes a comprehensive environmental profile, industrial process information, pollution prevention techniques, pollutant release data, and regulatory requirements unique to the agricultural chemical, pesticide, and fertilizer industry. Use the information presented in this book to build a foundation for developing holistic solutions to environmental problems, research the agricultural chemical, pesticide, and fertilizer industry and its environmental regulations, understand compliance issues, develop industry-specific training sessions/programs, or create and improve innovative pollution-prevention programs that would make any EPA inspector smile.
