

California Government and Politics Today (11th Edition)

This lively text offers a unique approach to California government that blends political data with economic, cultural, and demographic trends, and analyzes the link between the economy and the political process. California Government and Politics Today is written by a college professor who is also an elected official in California, offering a unique insiders view that will engage and inform students. This completely updated new edition encourages political activism and the development of the readers own unique political views.
