

The Ignation Sprituality Centre (CIS) in Rome celebrated the Ignatian Anniversaries (1990-1991) by organizing its 14th Ignatian course entirely on the Jesuit Constitutions. From January 7 to February 1, 1991, specialists from the Jesuit Generalate, the Pontifical Gregorian University, the Pontifical Bible Institute and elsewhere delivered lecture on various aspects of the constitutions. This book is a collection of these lectures. The first part deals with the historical and genetic background of the Constitutions; the second part is a synthesis of the Constitutions, comprising a study of each of the ten parts.
