

Unveiling the Secrets of the Feminine Principle

Unveiling the Secrets of the Feminine Principle provides a basis for the interpretation of the Book of Revelation by parting the veil of secrecy to reveal the mysteries of the third aspect of the Divine Triad, the Great Mother who is the Principle behind all things in creation. The end of the Age of Pisces understood by many to be the end of time sets the stage for the Age of Aquarius and the unfolding of the hidden knowledge known to be revealed by the Woman clothed with the Sun, and wearing a Crown of Stars. She is Shekinah, the Comforter and the Revealer of the Secrets of Life.
