

## We Need to Talk

Why does negativity get rewarded so often? Why is it so hard to find a faithful companion? Why does it feel like my life is going in circles? Why are people so selfish? We Need to Talk provides an in-depth analysis about the issues we face on a daily basis. Myron Jenkins holds no punches as he candidly assess the changes in today's society. He unveils the root of each problem by asking questions and that helps the reader learn more about his or her identity. We Need to Talk attempts to make sense of it all by breaking down the tendencies of human nature. A must read!!!
