

Throughout his thought-provoking assessment of Argentina, Gary W. Wynia offers an informed and sensitive view of a nation of wealth, pride, and sophistication that finds itself severely challenged in its attempt to achieve its goals, regardless of who is in charge. Among the topics Wynia covers are the causes and consequences of terrorism, repression, and war; the barriers to economic recovery; and the prospects for democracy in a nation plagued by veto politics, in which most sectors influence events but none is able to dominate.

King Midas's Goldfingers (First Greek Myths), Three Months in the Southern States: April-June 1863, Dirty Truths, Race, Class, and Education: The Politics of Second-Generation Discrimination (La Follette Public Policy Series), Hidden Truth: Young Men Navigating Lives In and Out of Juvenile Prison, Alexandre Ribot: Odyssey of a Liberal in the Third Republic, The Great Infanta Isabel Sovereign of the Netherlands,
