

Using Microcomputers in Research may be used in conjunction with the earlier Microcomputer Methods for Social Scientists (QASS 40) -- together they provide a lucid and comprehensive introduction to microcomputing in the social sciences. This book is organized around the research process, taking the reader through the processes of writing the research proposal, gathering data, analysing and manipulating data, and writing the research report.

Development-Induced Displacement: Problems, Policies and People (Forced Migration), Aus der Akasha - Chronik, The First Way of War: American War Making on the Frontier, 1607-1814, Adorno and Philosophical Modernism: The Inside of Things, The Life and Letters of Herbert Spencer (Works By and About Herbertt Spencer), Women and Positive Aging: An International Perspective, The Provincial And Municipal Code Of The Philippine Islands: Compiled And Annotated ....., Reverberations: The Philosophy, Aesthetics and Politics of Noise by Benjamin Halligan, Paul Hegarty, Michael Goddard (2012) Paperback, Journals of Expeditions of discovery into Central Australia, and overland from Adelaide to King Georges Sound, in 1840-1, including an account of the ... the state of their relations with Europeans.,
